Signs I'm aromantic

I cry whenever I think about

It's so scary to me

I've had a crush

Hopefully not aro. I hate myself so much

makes me feel lonely

labels that

I think I'm definitley aro and

don't want to accept it. Honestly,

fuck labels.

I don't think someone believes what

that is. Like being aromantic

I'm crying right now

I just convinced myself that I
